Alma Mater

Oh Republic we love you

And our teachers kind and true.

You have been our friends for years

Through our laughter and our tears.

We will always loyal be

For the things you taught that we

Might live lives upright and good

Always doing what we should.

Superintendent

As you leaf through these memories may you cherish your experiences at Scipio-Republic. You now enter your role in society. Plan to maintain reverence to God and respect of your fellowman. May each of you attain honestly that goal which you aspire.

Robert J. Sellers

Principal

It is with mixed emotions that I view the graduating class of nineteen hundred and sixty four. It is somewhat disheartening to realize that so many fine young people must leave the school where they have been outstanding students, good citizens, capable leaders, and worthy examples for other classes. At the same time it is gratifying to know that our school will be able to give to our community and nation these outstanding people.

Coach Thatcher. . . .

The Republic Tigers of 1963-64 turned in one of the finest records that a Republic team has in recent years. In posting a 9-11 record the Tigers beat Old Fort (for the first time since 1955) and traditional rival Bloomville.

Seven men shouldered the majority of the load for the Tigers throughout the season. Among these, five were Seniors and two were Juniors.

The statistic sheet shows, however, that twelve men did service for the Tigers over the course of the season and each did his job, very well.
